All fees include VAT where applicable.

There are no hidden project management fees.

Minimum fee of R300.00 per language.

Transcription projects are run on an hourly rate due to variation in audio quality.

All editing projects are assessed before being commissioned. This is necessary as we need to determine the quality of the initial translation.

Translations to InDesign or HTML format require a project by project quote. All our projects are done in MS Word to facilitate accurate African language translation.
